

New NIH Supply Center Offering!

Thermo Scientific Nunc 15 and 50mL Conical Centrifuge Tubes

- Higher RCF rating enables greater range of applications from low speed to super speed centrifugation
- Leak proof and sterile to protect your samples
- USP Class VI, Non-pyrogenic, Non-cytotoxic and RNase/DNase free to ensure the highest performance

- Collapsible rack for easy storage!
- Recyclable plastic rack that reduces contamination from traditional foam packaging.
- Largest writing area on the market provides more space for labeling your research

Promotional Offer:

Purchase any two cases of Nunc Conical Tubes and get a third case at no additional cost!
